Zoning Board: Town of Dunkirk

**Education:**

State University College of Brockport

State University College of Fredonia: Bachelor of Arts in Elementary Education

State University College of Fredonia: Master of Science Education

State University College of Fredonia: Clinical Field Supervisor and Associate Faculty

**I have been involved in community service throughout my adult life. Some of the various organizations in which I have volunteered are Lakeshore Humane Society, Church, and Order of the Eastern Star. Some of the skills I have acquired through education, work and volunteering include cooperation, organizational, leadership, as well as fiscal planning and accountability, and public speaking. I carry these attributes with me as I continue to grow and learn.**
